CELEBRATING 20 YEARS OF COMMUNITY SWIM LESSONS

"Swimming lessons at MCC are the best for any child. The children who need extra help get it. The teachers and the cost can't be beat. It's the best kept secret in Maplewood! " - Sharon Nelson, Mother of 4

In the land of 10,000 lakes learning how to swim is especially important! Which is why, here at the Maplewood Community Center, we are celebrating 20 years of providing high quality community swim lessons at a fraction of the price of private organizations. Our goal is to teach children that water is not something to be feared, but rather respected. By giving them the skills they need to enjoy water safely and helping them to understand their limits, we'll teach your children to swim, splash, and play in a safe way.

Our environment is another one of our keys to success. Our fun and interactive zero-depth leisure pool provides the perfect water environment for beginning swimmers. Kept at a comfortable temperature of 86-degrees and with a maximum depth of just four-feet, our versatile leisure pool allows instructors to safely challenge beginning swimmers. Take advantage of our experience today and register for one of our more than 100 class offerings. **WINTER REGISTRATION GOING ON NOW!**

FEE STRUCTURE
